

## IT ALL STARTS WITH COACHING:

**Head Coach John Shipp**

Coach John Shipp has been inspiring players as the head coach at Fountain Valley High School for 8 years. He began his career at FVHS in 2004 after having coached at Goldenwest College for 3 years. Under Coach Shipp the Barons won a share of the Sunset League title in 2009. During his personal career as a player at Claremont College he was awarded MVP, SCIAC Offensive Player of the Year, and an Honorable Mention All American.

Coach Shipp is a strong believer in giving back to the community. In dedication to this principle, he received the Honorary Service Award at Johnson Middle School in 2003. Coach Shipp was also head coach for the winning South Team in the 2010 O.C. All-Star football game. His philosophy on coaching is "Through mental and physical preparation we will unite as one and accomplish our goals as a team".

At FVHS we believe that if your actions inspire others to dream more, learn more, do more and become more, then you are a leader. Our leader Coach Shipp attributes his inspiration to, "Coach Ray Shackelford, from Goldenwest College, has taught me how true discipline learned through athletics is the centerpiece for success."

## CONTINUING THE TRADITION:

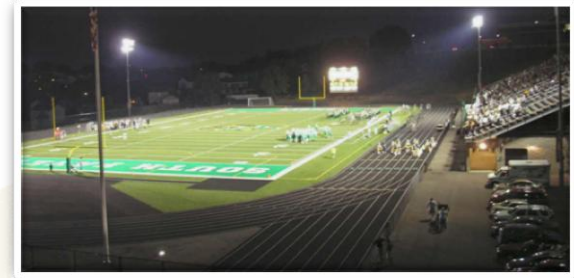

We are very proud of our school's long history and the Baron Football Program, but we are finding that it takes more to keep our school competitive and up to the standards of high performing schools that attract college attention. Students and their families contribute funds to the program and spend countless hours fundraising.

## PROGRAM NEEDS:

Our goal is to build a football program on par with FVHS academics.

Updated weight room equipment for improved strength and conditioning programs.

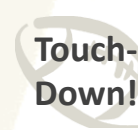

Field turf, grand stand seating and stadium lights at FVHS is our goal!!

Team room enhancements for film review, coaching staff and squad meetings.

## HOW YOU CAN HELP:

Please consider one of our sponsorship packages. Below highlights a few of the benefits of becoming a Sponsor. Call and we can provide additional details. It not only helps our program, but also allows support for the Junior All American programs and the players of tomorrow. Any donation size is welcomed and appreciated. Many thanks in advance.

## FOUNTAIN VALLEY HIGH SCHOOL

- Newsweek Magazine has annually ranked United States public high schools according to AP scores. Since the mid-90's, FVHS has ranked in the top 100 schools multiple times.
- Greatschools.org ranks FVHS a 10 out of 10 and FVHS is the only "10" in the school district.

We take great pride in the academic achievements of FVHS, and our reputation of being known as one of the top academic public schools in the area. Universities strive to produce students who are multidimensional with strong idealizations for academic excellence. Additional factors such as extracurricular activities and examples of leadership play a vital role in the college acceptance process.
